There is only one destiny, the one you choose.

Synopsis
Two faces of the same country, a violent and chaotic city, and a corner of paradise within the most ancient mountains on the planet. Two people in opposing moments of their lives. Two reckless travelers, a child that goes alone through an entire country, and a woman on her last one-way journey. The same destiny involves a woman and her grandson. They do not know each other, but are part of an unbreakable circle. There is only one destiny, the one you choose.
