

BURNT BY A SCALDING PASSION BRUCIATI DA COCENTE PASSIONE

In a small town outside Milan, live two ill-matched couples: shy Casimiro is married to lively Milena, while timid Virginia is loud Mike's wife. By sheer chance and a strange series of coincidences the better suited individuals pair up; cautiously and romantically in Casimiro and Virginia's case, and more passionately in Mike and Milena's case. When the respective affairs are uncovered by the meddling Leonida, they decide to make it official. But the two families are destined to meet up again...
