

CLASH OF CIVILIZATIONS OVER AN ELEVATOR IN PIAZZA VITTORIO

SCONTO DI CIVILTÀ PER UN ASCENSORE...

In a multi ethnic old condominium the lift is the central meeting place and becomes the belligerent cause of personal dissatisfaction, abuses, misunderstandings and mistrusts. When young Lorenzo, the local bully, is found burned dead inside the lift, during the ensuing investigation each of the tenants offer their querulous testimony. It is then, in a wave of solidarity each one will accuse himself of what they believe to be a murder, but only the elevator, the silent witness knows the truth. Based on the novel with the same name written by Amara Lakhous.
