

DAY OF ANGER I GIORNI DELL'IRA

Clifton, Arizona: young Scott has been waiting for the main chance which will allow him to show his real value, when a stranger named Talby comes to town and agrees to take the boy with him and teach him to become a hired gun. Scott becomes better than his teacher and so Talby introduces the boy to a band, of which he is the boss. When Sheriff Murph, a long-standing friend of Scott, is brutally killed by Talby, the youngster does not hesitate in taking the side of the law and routing the band.
