

DESERT RAIDERS IL DOMINATORE DEL DESERTO

The soldiers of the tyrant Yussuff make a raid on a village, killing the men and kidnapping the women. Fatima, the daughter of the village chief, is also taken and brought to the reign of Yussuff, who takes a fancy to the girl and decides to marry her. However, she manages to escape and takes refuge in a village where she is taken in by Nadir. Love blossoms between the two, but she is kidnapped again by Yussuff's men. In the meantime, Nadir has allied with the chief of a Bedouin tribe and together they capture the city of Yussuff, who is then defeated in a duel by Nadir. He is proclaimed the new sovereign and can finally live happily ever after with Fatima
