

EUTHANASIA OF LOVE EUTANASIA DI UN AMORE

Paolo, a professor in Florence, was abandoned by Sena, his ex-student, with whom he had lived for many years. She did not give him any explanations and all the attempts made by him to see her again proved useless. Finally, when she is about to leave for Paris to study, she asks him to take her back to the station. The two separate between tears with the promise of meeting again in France. So he reaches Versailles to find her, however, he sees her holding a young man.
