

FIRST LOVE PRIMO AMORE

The film concerns a group of adolescents and their first sentimental experiences. Francesca, the product of separated parents, whose uncertainties lose her everything. Swiss Elisabetta who swears she will never fall in love with an Italian. Lello who has fallen for Andreina, who thinks she is the queen of hearts; and Enrico, bosom pal of Lello, who romantically falls in love with Andreina's mother and is brusquely falls back down to earth.
