

FUNNE, SEA DREAMING GIRLS FUNNE, LE RAGAZZE CHE SOGNAVANO IL MARE

In Daone, a small mountain village in the North of Italy, a group of grannies in their seventies are planning a special trip. Almost none of them have ever been at the sea, and they want to see it for the first time. But they need the money to fund their journey. After some failed attempts, they decide to face their shyness, and to model for a calendar. When also this action seems to be useless, their last idea will make them pretty famous. The Sea, and their common dream, are waiting for them.
