

GIULIA DOESN'T DATE AT NIGHT GIULIA NON ESCE LA SERA

Guido is a best-selling writer. His latest book placed him among the five finalists for a prestigious literary prize. While he is in the throes of commitments that the candidature of his novel entail, he starts going to a swimming pool and decides he has to learn to swim, thus realizing a desire he has had for quite some time. This is where he meets Giulia, a very charming woman, above all when she is in her element: water. A relationship springs up between Guido and Giulia that immediately shows shadowy areas. Because Giulia hides a secret, and a mysterious past.
