

THE DRIVER'S SEAT IDENTIKIT

Middle-aged Liz leaves Germany for a holiday in Rome. On the edge of a nervous break-down, she travels in a psychedelic dress and carrying a book. Ignored by Pierre, who she is interested in, but pursued by the American Bill, she reaches the capital. After a series of incredible and unnerving adventures, she finally meets someone just as unhinged as she is; this is to be her end, leaving behind a mystery for the police to solve.
