

A MAN FOR EMMANUELLE IO, EMMANUELLE

The story of a woman who, having been left by her man, seeks the affection she craves elsewhere. In the arc of a day, she finds herself with a depraved writer, a businessman betrayed by his wife, an imbecile journalist, to name but a few. But at the end of the day, she finds herself in a bar where she learns that her man has been killed in a road accident, leaving her to meditate sorrowfully on her actions.
