

ONE LIFE MAYBE TWO DUE VITE PER CASO

One rainy night you drive too fast, you crash into a police car and you end up being beaten up by a couple of plain-clothes cops. You rage inside and neither your loving family nor your friends will assuage your feelings. But maybe that very evening you manage to stop just in time and your life unfolds peacefully. And you make up your mind to leave your underpaid job as a gardener to become a cop. After all, did you ever have a choice?
