

MARVEL MOVIES PRESENTS

BY CESAR AUGUSTO MENEGHETTI & ELISABETTA PANDIMIGLIO

## PLATITUDES INTERFERENZE

Angelo is a young boy always looking for a dodgy business in order to survive. Elio is a University student who is completely infatuated with the Internet. Stella is a presenter on a radio station. By chance the three of them meet and they seize the opportunity to follow through an old project of Angelo's but their dreams are shattered. At least their defeat will be a way to link their lives together
