

ROUNDTRIP ANDATA E RITORNO

Samuele is thirty years old. He lives a simple life. He works as a waiter, has a girlfriend called Sara and spends his time with his friends. Samuele and Sara look after a group of elderly people as voluntary workers, and Samuele's favourite is Mr. Sorelli. One day, Samuele receives the news that Mr. Sorelli has died and left him 2 million euro. Samuele is convinced that money changes your life and goes on a spending spree. He neglects his old friends and spends time with his new acquaintances from high society, he forgets his love for his girlfriend, Sara and falls for the beautiful and intriguing, Vanessa.
