

## S.B. I KNEW HIM WELL S.B. IO LO CONOSCEVO BENE

Silvio Berlusconi. An audience and cruise liner entertainer who first became a successful entrepreneur and then prime minister. A sudden rise that got halted just one step before the most sought-after goal had been reached: that of holding the highest position in the country, the presidency of the republic. "S.B. I knew him well" is a docu-film exploring the secrets, lights and shadows of his story composing an intimate portrayal of the man who tied his faith to that of post-cold war in Italy.
