

SILENT LOVE LA BOCCA

The restorer Alessandra is sent by the Ministry of Cultural Assets to restore an ancient fresco, site in majestic villa of the noble family Rospigliosi. Here Alessandra will face a situation quite complicated and out from each of its imagination. The family Rospigliosi in fact is waiting that the countess White, matriarch of the family and the owner of the villa, to die, in order to divide the conspicuous inheritance and get rid of the villa, despite the high historical value.
