

THE FURLOUGH IL PERMESSO

Luigi, 50, convicted for double murder. Donato, a thirty something, innocent, convicted to cover for the crimes of his boss. Rossana, 25, a diplomat daughter, arrested for international drug trafficking. Angelo, 20, a suburban boy convicted for robbery.

All of them finally benefit of a 48 hours furlough. An occasion for redemption for some.....A search for vengeance for others. In their 48 hours of freedom each one, with their contradictions and inner desperation, will regain a lost personal dignity and pride.
