

THE GRUFF IL BURBERO

Mary Cimino leaves by plane from America and reaches her husband lawyer in Italy, in Florence. During the flight, the woman clashes with the surly and handsome lawyer: Tito Torrisi, who is forced to help the girl when she arrives in Italy. In fact, she and her husband are persecuted by a gang of thieves, since the two were involved, without knowing it, in a robbery, and they have coincidentally the stolen goods.
