

THE LIFE APART LA VITA ACCANTO

In Vicenza, a beautiful Italian art city, a young wealthy couple joyfully welcomes the birth of a long-awaited daughter in the early 1980s. But the child's face is disfigured by a red birthmark that covers half her face. This spot haunts the mother to the point that she rejects her responsibilities as a mother. The child's aunt, a famous concert pianist, takes over her education, thus discovering her exceptional musical talent.
