

THE LOST ENDING L'ULTIMA SEQUENZA

Some remember it, some others don't. The photographs exist, the sequence has been shot. It should have been edited as the last sequence of Fellini's 8 ½, but eventually the Maestro chose the enchanting liveliness of the Circus, and the train sequence is nowhere to be found.

A Mystery. 50 minutes of an intriguing insight into the making of a masterpiece, with a 'live' Fellini never heard or seen before.
