

THE PACK IL BRANCO

A bunch of annoyed youths, with the help of an old delinquent, kidnap two young hitchhiker tourists. They decide to rape them. Sylvia, the older of the two German tourists, understood the situation, decides to sacrifice herself to save the younger and virgin Marion. But violence increase and increase, and also Marion is raped. An attempt to escape fail and the bunch (Branco) insist on raping till Marion dies. For Sylvie the end of the nightmare is near.
