

VITTORIA VITTORIA

Jasmine is 40 and has everything she ever wanted: a devoted husband, three loving sons, and a thriving hair salon just south of Naples. But after her father's death, she experiences a recurring dream in which a young girl runs into her arms, offering Jasmine a new sense of fulfilment and completeness she can't ignore. She decides to follow her dream of a daughter and dives headfirst into the challenging world of international adoption – risking her marriage, her sons' well-being, and her own moral compass along the way. The entire family is in crisis, until they finally realize that the only way out is together.

Based on true events and featuring non-professional actors portraying their own lives, VITTORIA delves deep into the complexities of family dynamics and the seemingly irrational desires of the human psyche.
