

WILL NOT STOP THERE NIJE KRAJ

Martin is a Croatian war veteran whose life changes when, by a bizzare twist of fate, he recognizes Desa as the leading actress in a serbian porn film. Martin embarks on a quest to find her which leads him to Belgrade, where he finds her working as a hooker. When he takes Desa to Zagreb, she's convinced that Martin is also a pimp who brought her to Croatia to work as a prostitute but she doesn't understand why he treats her so politely. Martin dares not to tell her that he knows her from before, during the war...
